

Week 4: Final Internship Report

Dataset: DePaul Dataset

Team: SLU 0203 DVT Team 3

Prepared by: Abiodun Oluwafemi Toyosi

Clifford Oduor

Joshua Anayochukwu

Kelechi Emmanuel

Sakshi Doijad

Tanmay Sawant

Tasnia Sultana

Temiloluwa Bolaji

Toluwalope Sokefun

Saminu Mustapha

Date: March 2026

Powerpoint Presentation

This presentation summarizes the full data analysis journey, including data exploration, cleaning, and dashboard development.

It highlights key insights from the dataset and provides data-driven recommendations for improving admissions and outreach strategies.

The goal is to communicate findings clearly and support better decision-making.
